The 2nd ICAN-Malaysia International Accountants' Conference (IIAC-IMDS 2020) is organised by the ICAN Malaysia & District Society (IMDS) of the Institute of Chartered Accountants of Nigeria (ICAN). The conference is in collaboration with the Accounting Research Institute (ARI-UiTM), Universiti Teknologi Mara (UiTM) Kuala Lumpur, Universiti Teknologi Mara (UiTM) Sarawak, Imperial Hotel Kuching, the Business Events Sarawak, Sarawak Convention Bureau, and the Ministry of Tourism, Art, Culture, Youth & Sports Sarawak.

The ICAN-Malaysia International Accountants' Conference 2020 recognises the various technological innovations the accounting profession are facing and will continue to face in the era of Industry Revolution 4.0. It, therefore, becomes a priority to explore and to exploit the potential challenges and benefits of new technologies for value creation. The Conference 2020 expects to focus on what to do in response to those challenges and opportunities presented by the industrial revolution to the accounting profession.

The conference provides an excellent opportunity for accountants to gain a wealth of knowledge from the intellectual presentation from speakers drawn from top brass in government (MDAs), professional bodies, academia and industry. Importantly, the delegates will avail themselves of the excellent opportunities for synergies, and network with other international professionals from different industry and add more feathers to your professional career.

Come and join us in IAAC-IMDS 2020 Conference as you enrich yourself professionally and individually.
